02 / CITY PROGRAMS

Prime Time Tai Chi follows at 11:15 a.m.

The City's Thursday schedule places the movement class after Chair Yoga for the 55-and-older program.

Illustrative photograph. Ron Lach / Pexels License

The official Prime Time schedule lists Tai Chi from 11:15 a.m. to 12:15 p.m. today for adults 55 and older. The listing confirms the schedule, not enrollment, attendance or a fitness result.

Residents should ask program staff about registration, physical requirements and accommodations. The exercise photograph is illustrative rather than a picture of the class.

03 / ARTS & CULTURE

Prime Time Jukebox Karaoke is scheduled this afternoon

The City calendar lists a two-hour music program for older adults from 2 to 4 p.m.

Illustrative photograph. Mikhail Nilov / Pexels License

The City's Prime Time calendar lists Jukebox Karaoke from 2 to 4 p.m. today. It is presented within the adults-55-and-older program; the calendar does not promise a particular song list, equipment setup or remaining capacity.

Prospective participants should use the official program page for the room and registration details. The microphone photograph is contextual and does not show this event.

04 / FAMILIES & LEARNING

All About Baby Storytime is listed for this morning

The Mountain House Library calendar schedules songs and early-literacy activity for babies and caregivers.

Illustrative photograph. cottonbro studio / Pexels License

The Mountain House branch calendar lists All About Baby Storytime today for infants and their caregivers. The listing is an event notice; it does not establish capacity, attendance or an unchanged room assignment.

Caregivers should confirm the start time, age guidance and any registration requirement on the branch's live calendar. The child-and-book photograph is illustrative.

05 / FAMILIES & LEARNING

Library Stay & Play is scheduled for families today

The branch calendar lists an early-childhood play session for children up to age five and their caregivers.

Illustrative photograph. Artem Podrez / Pexels License

The official Mountain House branch calendar lists Stay & Play today for children from birth through age five with a caregiver. A calendar entry does not prove remaining space, materials or attendance.

Families should confirm the exact time and current participation rules before travel. The toy photograph is contextual and does not depict the branch program or its participants.

06 / FAMILIES & LEARNING

Animal Services joins preschool storytime, without animals

The library says Tracy Animal Services will visit the 3:30 p.m. program, but no animals will attend.

Illustrative photograph. RDNE Stock project / Pexels License

The branch calendar lists a preschool storytime with Tracy Animal Services at 3:30 p.m. today. The notice explicitly says no animals will be present, an important limit for families deciding whether the activity meets their expectations.

The page establishes the planned guest and time, not attendance or an outcome. The classroom photograph is illustrative and does not show this program.

Event November 19, 2026, 3:30 p.m.; retrieved November 19, 2026

07 / ARTS & CULTURE

Adult painting program is listed at the library tonight

The branch calendar schedules an 18-and-older creative program for 6 p.m.

Illustrative photograph. McFollis / Pexels License

The Mountain House branch calendar lists Adult Painting for 6 p.m. today and identifies the audience as age 18 and older. The listing does not establish remaining supplies, registration status or attendance.

Adults interested in the program should confirm capacity, materials, cost if any and accessibility on the current event page. The workshop photograph is contextual and does not show the library room or participants.

08 / SCHOOLS & SPORTS

MHHS boys soccer scrimmage is listed against Millennium

The school calendar places junior varsity at 4 p.m. and varsity at 6 p.m. today.

Illustrative photograph. Franco Monsalvo / Pexels License

The MHHS calendar lists a boys soccer scrimmage against Millennium today, with junior varsity at 4 p.m. and varsity at 6 p.m. This is a schedule notice, not a score or confirmation that play occurred.

Spectators should use the current school calendar for field, admission, weather and cancellation details. The soccer photograph is illustrative and does not show either team.

Event November 19, 2026, 6 to 8 p.m.; retrieved November 19, 2026

10 / SCHOOLS & ARTS

MHHS dance production opens tonight

The CTE and Synergy presentation, “The Greatest Show,” is listed for 6:30 p.m. tonight and Friday.

Illustrative photograph. Hengga Wang / Pexels License

The MHHS calendar lists the CTE and Synergy dance production “The Greatest Show” at 6:30 p.m. tonight and again Friday. A school listing does not establish ticket availability, attendance or a completed performance.

Patrons should confirm venue, tickets, accessibility and the correct performance date before travel. The stage photograph is illustrative and does not show the MHHS production.

Altamont continues conferences, early release and book fair

The school calendar lists 1 p.m. early release during conference week and the library book fair through Friday.

Illustrative photograph. Thirdman / Pexels License

Altamont's calendar lists parent-teacher conference week through Friday with 1 p.m. early release. It also lists the library book fair through November 20. These are school schedule notices, not evidence of an individual student's conference or purchase.

Families should rely on direct school communication for appointment times, pickup plans and book-fair access. The library photograph is contextual and does not show Altamont students.

12 / SCHOOLS

Bethany Elementary book fair continues today

The school calendar lists the campus book fair on November 19 as part of this week's activities.

Illustrative photograph. RDNE Stock project / Pexels License

Bethany Elementary's official event listing places the book fair on today's calendar. The listing does not establish inventory, hours beyond the current notice, individual purchases or attendance.

Families should use school communications for access, payment and volunteer information. No student identity or private school record is included here, and the reading photograph is illustrative.

13 / COUNTY & HEALTH

County approves $2 million for proposed UOP medical school

Supervisors say the investment is intended to support a new School of Medicine and address the regional physician shortage.

Illustrative photograph. Duy Tân Đại học / Pexels License

San Joaquin County's Board News page says supervisors approved a proposal to invest $2 million to help University of the Pacific establish a School of Medicine. The County describes the intended goals as expanding educational opportunities, addressing the physician shortage and increasing economic output.

Approval of funding is not proof that the school has opened, received accreditation or enrolled students. Readers should use UOP and the relevant accreditor for future program milestones. The medical-training photograph is contextual.

14 / ROADS & COMMUTE

County road page shows scheduled work but no emergency closures

The November 17 update lists sewer work on Woodward Avenue and Tinnin Road among ongoing scheduled closures.

Illustrative photograph. Alejandro Perez / Pexels License

The County Public Works page says there are no emergency closures in its current emergency section. Its scheduled list includes Woodward Avenue from Pagola Avenue to Tinnin Road and Tinnin Road from Woodward Avenue to Antone Raymus Parkway for sewer installation, with dates extending into April 2027.

The page says all dates are tentative and subject to change. Conditions can change after retrieval, so drivers should check the live map and posted controls before travel. The roadwork photograph is contextual.

THE SOURCE DESK

How this edition was made.

All 15 saved stories are included here. Their substantive reporting is retained. Repeated production and policy notes are collected on this page so each article can focus on the news.

Articles are original source summaries and local analysis. Source and event dates are shown with each story; a listing confirms a plan, not attendance, availability or completion. Check the responsible organizer before acting.

Story photographs are licensed contextual images. They illustrate a topic and do not show the reported Mountain House event or its participants unless explicitly identified. Photographer, source page and license records follow.

Corrections and updates: use the original source link or visit mountainhouselive.com/news. Public and private source histories retain the full dated record. This edition does not replace official alerts or live travel information.
